Design Choices

Font Family to be
“futuristic” and have a
computer-generated feel.

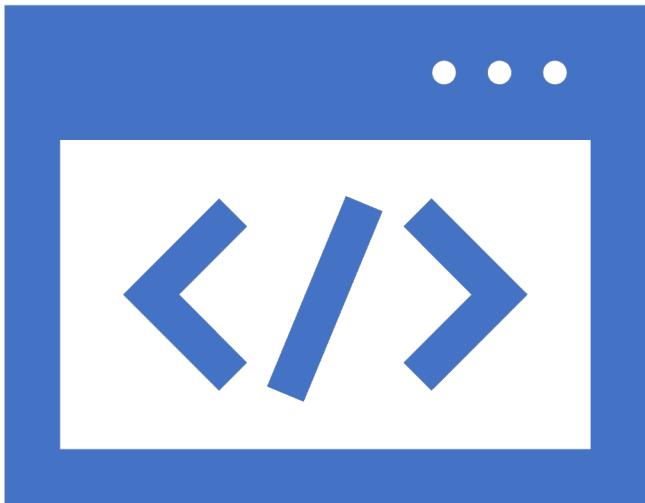

Website colour theme to
match logo

Typing animation taken on
mobile device for
accessibility

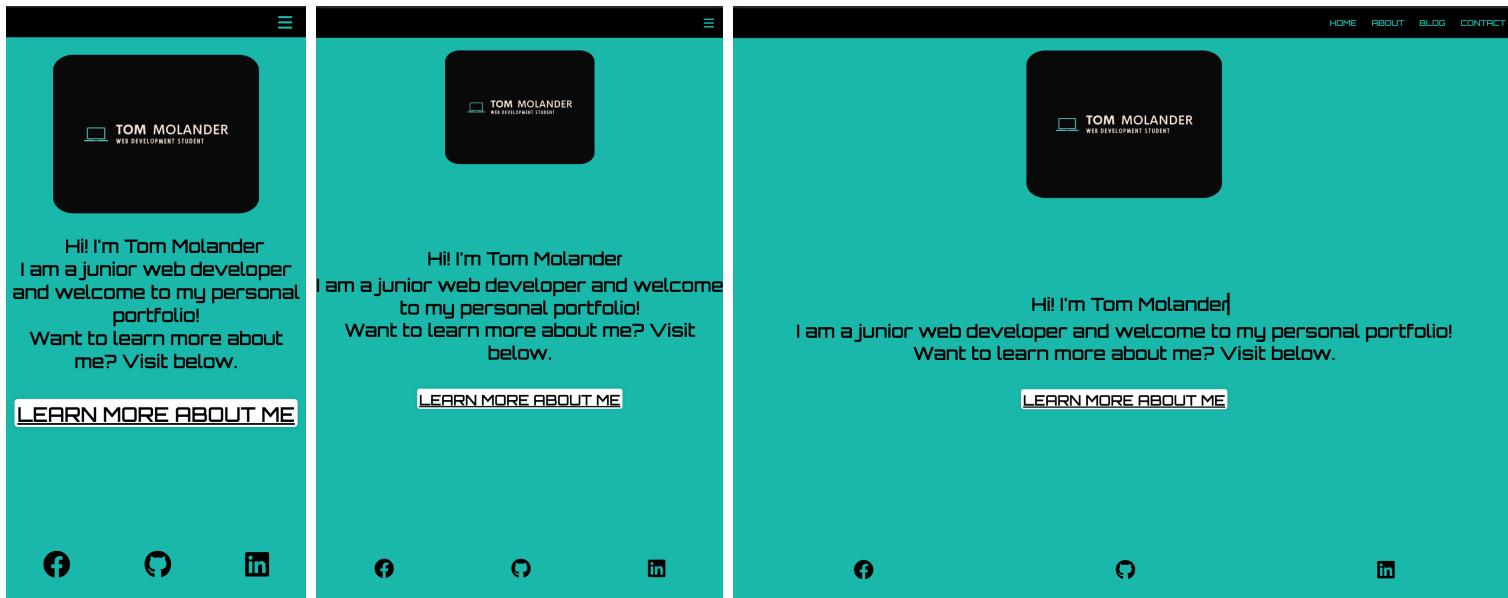

Flexbox used to make
responsive with minimal
media queries

Components/Features

- Website contains a lot of styled text components across all pages, using animations on the home page.
- Different components using effects when hovered.
- Styled icons across all pages except blog.
- Images with styling on all pages except contact, which has a styled message box form.
- Responsive nav bar across all pages.
- Footer with links to social media.

Home Page

About Page – Mobile

All About Tom.

Tom Molander is a Website Development & Programming student currently enrolled in a Diploma of Information Technology at Coder Academy. Tom's journey into IT and exploring the world of coding began in 2023 when looking for a career change. After finding enjoyment in the challenges in programming point of sale systems across various restaurants and bars, coding seemed like a great challenging step to take on!

Tom has been working in the hospitality industry since graduating from High School and is a driven and highly motivated individual.

Previous Employment

Contact Page – Tablet/iPad

The screenshot shows a contact page designed for tablets or iPads. At the top, there's a header section with the title "Contact Me" and a sub-instruction "If you would like to get in touch, leave a message!". Below this, there are three contact details: "Address" (Everton Park, QLD), "Phone" (0447 420 887), and "Email" (thomascolemolander@outlook.com). A large, prominent "Send Message" button is centered at the bottom of the page, above a text input field for "Type your message..." and a "Send" button.

The screenshot shows the same contact page but viewed on a desktop computer. The contact details (Address, Phone, Email) are displayed in a grid format. Below them is a "Send Message" section with fields for "Full Name", "Email", and a text area for "Type your message...". A "Send" button is located at the bottom right of this section. At the very bottom of the page, there are social media icons for Facebook, GitHub, and LinkedIn.

Contact Page – Desktop

The screenshot shows a contact page with a teal background. At the top right, there is a navigation bar with links: HOME, ABOUT, BLOG, and CONTACT. Below the navigation, the page title "Contact Me" is displayed in bold black font, followed by the sub-instruction "If you would like to get in touch, leave a message!" In the center-left area, there are three contact details listed: "Address: Everton Park, QLD", "Phone: 0447 420 887", and "Email: thomascolemlander@outlook.com". To the right, there is a white rectangular form titled "Send Message" containing input fields for "Full Name", "Email", and a message body with placeholder text "Type your message...". A "Send" button is located at the bottom of the form. Social media icons for Facebook, GitHub, and LinkedIn are positioned at the bottom right.
